MESSAGE OF CHAIRMAN AND MANAGING DIRECTOR

MR. SANJAY BANSAL
CHAIRMAN & MANAGING DIRECTOR AVSL INDUSTRIES LIMITED

“We continued to invest in building on our manufacturing capacities, backed by enhanced focus on empowering our people, sustainability and product innovation, supported by our growing digital outreach.”

DEAR SHAREHOLDERS,

I am happy to welcome you all to the 20th Annual General Meeting of your company. On behalf of the Board of Directors of AVSL, I thank you and welcome for joining us today. Your presence here is a testimony to your interest and support to the company.

Despite a challenging economy, during the financial year 2022-23, the Company recorded satisfactory performance by achieving total Revenue of Rs 10243.34 (lakhs) and PAT of Rs 51.12 Lakhs. The Company implemented several initiatives encompassing cost management, supply chain optimization, smart procurement, productivity improvement which helped in absorbing escalation in input costs, product development etc.

Your Company has maintained its leadership position in the high-end manufacturing segment and continues to consolidate its preferred supplier status amongst leading end-use customers. Further, your Company remains confident of fortifying its market standing in manufacturing segment leveraging its superior qualities, execution excellence, investments in technology and a future ready product portfolio. Your Company is continuously focusing on improving operating efficiencies and reducing manufacturing cost for better financial performance. The flexibility to manufacture PVC and WPC products through best machines have improved productivity and profitability of the company remarkably.

Considering company's diversified quality product portfolio, brand image, long standing relationships and goodwill with its distributors, agents and direct consumers, suppliers and other stake holders, the business operations of the company are expected to report better performance in the coming year.

Company's philosophy is to achieve long- term value to serve the best interest of all stakeholder-shareholders, customers, employees, Government and the society.

I wish to thank my colleagues on the Board and team of AVSL Industries Ltd for responding positively to an unprecedented challenge and most of all, I thank our shareholders for the confidence and faith reposed by them in the Board and the Management team, which has in my view geared up to take on more challenges. I can say with confidence the Company will improve its performance further in the coming years This is however only possible through tireless efforts; dedication and commitment of our team who have helped us reach where we are now and look forward to their continued commitment in the journey forward.

PERFORMANCE

Total Revenue from operations for the year has been increased to Rs 10130.47 (lakhs) from Rs 10021.76 (lakhs) to the corresponding year. In the Financial Year, 2022-2023 profit after tax of Rs 51.11 (lakhs) as compared to Rs 588.99 (lakhs) for Financial Year 2021-2022. Despite of inflation in India during the period the offtake from customers has been robust, as a results overall sales volume showed an upward movement as compared to the previous financial year but the profit has been decreases due to in-precedent increase and fluctuations in price of the basic raw materials. The cost of increased raw materials could not be passed on to customers due to intense competition in the market. However, we are continuously making efforts to improve the operational efficiency and increase the overall productivity.

ACKNOWLEDGEMENTS

I extended my sincere thanks for assistance, believe, confidence cooperation and support received from the customers, suppliers, bankers, financial institutions, auditors, state and central government, regulators, advisors community and society. I also acknowledge and appreciate our directors and all stakeholders for their continuous belief and support.

WARM REGARDS

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL AND INDIAN ECONOMIC OVERVIEW:

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades, which is in double digits.

To control the same, the interest rate of Bank of England has been raised from 1.00 % as on 05th May 2022 to 5.25% as on 03rd August, 2023.

The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine weigh heavily on the outlook. Global growth is forecast to slow from 6.0 percent in 2021 to 3.2 percent in 2022 and 2.7 percent in 2023. This is the weakest growth profile since 2001 except for the global financial crisis and the acute phase of the COVID-19 pandemic. Global inflation is forecast to rise from 4.7 percent in 2021 to 8.8 percent in 2022 but to decline to 6.5 percent in 2023 and to 4.1 percent by 2024. Monetary policy should stay the course to restore price stability, and fiscal policy should aim to alleviate the cost-of-living pressures while maintaining a sufficiently tight stance aligned with monetary policy. Structural reforms can further support the fight against inflation by improving productivity and easing supply constraints, while multilateral cooperation is necessary for fast tracking the green energy transition and preventing fragmentation.

INDIAN STRUCTURE AND ITS DEVELOPMENT

Plastic manufacturing is an essential industry that affects almost every aspect of our daily lives. As the demand for plastic products continues to grow, it is crucial to understand the manufacturing process, the types of plastic materials available, and the environmental impact of plastic production and disposal. The plastic industry in the country is an integral part of the economy, currently approximately 50,000 industries are operating in the plastics sector and that most of these industries are micro, small and medium scale industries contribute Rs 3.5 lakh crore to the country's economy and also generate employment opportunities for more than 50,000 people. About Rs. 35 thousand crores worth of plastic is exported from India.

Plastics Industry market size is expected to grow at a CAGR (Compound annual growth rate) of 8 -10 % until 2025. Global plastic industry is expected to grow at a CAGR of 3.7 % till 2028.

OVERVIEW AND OUTLOOK OF COMPANY'S BUSINESS

AVSL Industries Limited are manufacturing organization and situated at:

1. Plot No. E-675, Ph. I to IV, Ghatal, Samtal, Bhiwadi, District Alwar, Rajasthan-301019
2. Plot no. 717, Halol-2 and Halol- Maswad Industrial Estate, Gujarat-389350
3. Plot no. 2006, Halol GIDC Estate, District Panchmahal, Gujarat-389350
4. Plot No G-152 TO G-162, Karoli Industrial Area, Tehsil Tijara, Bhiwadi, Alwar, Rajasthan-301019

Since beginning, we were mainly manufacturing:

1. Power Cable and Telecom Industry and some material for irrigation industry.

Our product includes PVC Compound, HDPE/LDPE Compound, PVC Filler, HDPE/LDPE Tape, PVC tape, Polyester Tape and similar product, Aluminium Mylar tape, Marking tapes (used in cable wires as well as irrigation pipes) these products are mainly manufactured at Bhiwadi and Karoli (Rajasthan units). PVC compound and PVC filler and some other products are manufacture at Maswad and Halol (Gujarat units).

There is tremendous scope and demand of the power cables and house wiring's due to increased focus by Government of India due to electrification and increased demand in housing.

The raw material demand from the user industry is again expected to be huge, so we are continuously trying to improve the capacity utilizations.

The new segment of PVC/ WPC board and door frames which is a retail product and used by direct consumers with shorter credit cycle and direct touch with customers is challenging but with bright future prospect to convert the company from commodity driven to mixture of consumer driven.

We have got very good response from the industry due to increase focus by government of India to housing for all. There is a huge demand due to multiple uses by household as well as corporate sectors and product can be sold anywhere in India. We are right now selling through wholesalers at present spreading all over India.

These products are expected to generate improved revenues in the coming years because of increasing in production capacity, due to stabilization of production and increase in installed capacity.

MARKET OVERVIEW

PVC/WPC Foam Sheet, Boards & Door Frames (Chaukhat)

PVC/WPC Foam Sheets, Boards & Door Frames (Chaukhat) offers high durability, low moisture content, and low water absorption, as compared to conventional wood products. These properties have made it viable for use in railings, windows, doors, exterior siding, fencing, flooring, and interior molding, and raised its demand from automotive and construction industries.

CHALLENGES FACED BY COMPANY:

WPC/PVC board industry is heavily impacted due to wide fluctuations in the prices of polymers and related processing agents and other raw material in the international market. The manufacturing industries have increased the prices of WPC/PVC boards by mere 20 percent whereas impact is more than market can visibly handle in one go.

Polymer resin prices are shooting up very frequently, making it very difficult for industry to pass on the prices of finished goods on regular basis. A sharp increase in finished goods prices would be challenging task and also to maintain the products share in the market.

Company also faces the following challenges:

- Challenges related to Waste: Waste can be a major issue in plastic manufacturing as it can lead to higher costs and wasted materials. Waste is part and parcel of the manufacturing process but being efficiently re-used by us.
- Challenges related to Cost: The cost of plastic manufacturing can be a major challenge as it involves many factors including raw materials, tooling, waste, and labor. Finding ways to reduce costs without sacrificing quality can be difficult. These are some of the biggest challenges that manufacturers face when producing plastic products. By understanding the challenges and taking steps to address them, manufacturers can ensure that their plastic products are produced to a high standard.

RISKS AND CONCERNS:

FY 2023 saw multiple external and internal challenges continuing to shape the overall risk profile of the company. Macroeconomic and geo-political risks had an impact throughout the year. The Russia-Ukraine war and geo-political tensions, trade wars and imposed sanctions were pervasive and had direct and cascading impacts on economies and businesses. Shortages, rising inflation, supply-chain disruptions, energy crisis led to further uncertainties in the economic growth environment, with the year ending with banking industry upheavals in US and Europe. Our company has to face intense competition from unorganized sector pertaining to plastic compounds.

Further, the raw material prices remain volatile. It is very difficult to estimate the near future raw material cost. Our company has an elaborate risk Management procedure and adopted a systematic approach to mitigate risk associated with accomplishments of objectives, operations, revenues and regulations. The Board takes responsibility for the overall process of risk management throughout the organization. The Company has developed framework to mitigate the same and the Audit Committee of the Board reviews the same periodically.

Technology obsolescence, market conditions, growing competition including imports and unorganized sector are major risks perceived by the Company that may

have adverse effect on Company's business and its margin in future. The Company continuously focuses on safety of environment and is increasing its awareness amongst the stakeholders.

ENVIRONMENT HEALTH & SAFETY:

Company is making serious efforts for marketing of its products in global markets. With India's growing importance as a low cost manufacturing base with good health, safety and environment practices, your company sees a great potential in many of its products. Effective steps have been taken in this regards.

PVC/WPC Foam Sheets, Boards & Door Frames(Chaukhat) are environmentally friendly solution compared to wood and possibly one of the many sustainable alternative to a lot of regular building materials. PVC/WPC is used today with a lot more potential than any other similar products.

Further, the Company ensures the health, safety and wellbeing of its employees, contractors, assets and customers property.

FUTURE OUTLOOK

The Company continued its focus on marketing activities and strengthening its agent network by participating in many new markets. Your company has introspected with its customer base and greatly recognizes the need for innovations and new product developments to drive growth and better margins.

The expansion of the Indian economy has boosted the demand for real estate and commercial buildings in the country. While residential building accounts for most of the real estate in India, commercial construction has increased to meet the growing need for office space, which has led to increase in consumption of PVC foam Board and door frame as well as increase in demand of electricity which ultimately result in increase in demand of our Industrial raw material for power cable across the world.

Also efforts by Government of India to boost "Housing for ALL" such as Pradhan Mantri Awas Yojana, Pradhan Mantri Gramin Awas Yojana, DDA Housing Scheme, etc., to promote the development of housing projects in the country is further catalyzing the product demand.

The Company has taken various initiatives and proactive steps to increase the production of the Company, which may leads to upsurge in profit.

SEGMENTWISE PERFORMANCE

The business activities of the Company comprise in various business segments i.e. Industrial Intermediate goods, Consumer Goods and other.

1. **INDUSTRIAL INTERMEDIATE GOODS** comprise of Raw Material for HT-LT Power Cable & Telecom Cables and irrigation products.

Raw Material for HT/LT Cables & HDPE/PVC Pipes, PVC Filler, PP Filler, PVC Compound, PVC Tape, LDPE/HDPE Tape, Polyester Tape, Identification Tape, Aluminium Mylar Tape, Hot Foil Sequential Marking Tapes, Numbering Tapes.

2. **CONSUMER GOODS** comprise of Manufacturing of PVC/WPC Foam Board, Doors & Door Frames (Chokhat) used as replacement of Wood and wood products like Ply Boards and wooden doors.

3. **OTHER GOODS** comprise of trading of raw material, Job work, Rental Income and other income.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company always strives to strengthen Internal Control Systems and processes for smooth and efficient conduct of business and complies with applicable relevant laws and regulations. A comprehensive delegation of power exists for smooth decision making. Elaborate guidelines for preparation of accounts are followed for uniform compliance. Further, all the key functional areas are governed by respective operating manuals. In order to ensure that all checks and balances are in place and all Internal Control Systems are in work, experienced firm conducts regular and exhaustive internal audits if accountants in close co-ordination with the company's concerned accredited officials. The Internal Financial Control are reviewed periodically and in particular the Internal Auditors ensure that the company as in all material aspects, laid down Internal Financial Controls including operational controls and that such controls are adequate and operating efficiently.

HUMAN RESOURCES

Industrial Relations with staff and workmen at Head Office and across all the plants, continued to be cordial. Your Company has successfully aligned human capital with business and organizational objectives. The emphasis has been on teamwork, skill development and development of leadership and functional capabilities of the employees. As on 31st March, 2023, there were 333 employees recorded on the payroll of the Company.

OPINION

We have audited the accompanying financial statements of AVSL INDUSTRIES LIMITED ('the Company'), which comprise the balance sheet as at 31st March 2023, the statement of profit and loss and the Statement of Cash Flows for the year ended on 31st March, 2023 and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in the conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2023 and its profit and total comprehensive income and its Cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors are responsible for the preparation of other's information. The other information comprises the information included in the Board's report but does not include the financial statements and our Auditors' Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY

Our objective are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee than the audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of the accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, we enclose in the "Annexure A" hereto a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable to the Company.

2. As required by Section 143 (3) of the Act, based on our audit we report to the extent applicable that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 except non provision of retiring benefits of employees required as per accounting standard 15;

(e) on the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure

B” to this report; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations as at 31st March 2023 which would materially impact its financial position.

(ii) The Company did not have any long-term contracts including derivative contracts as at 31st March 2023.

(iii) As at 31st March 2023, there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(h) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act:

c) As the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

d) According to the information and explanations given to us, the company has no Core Investment Company (CIC) as part of its group, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

17. The Company has not incurred cash losses in the financial year covered by our audit.

18. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. According to the information and explanations given to us, the provisions of section 135 of the Act are applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be transferred to the special account as on the date of our audit report. Accordingly, the provisions of paragraph (xx)(a) to (b) of the Order are not applicable to the Company.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of AVSL INDUSTRIES LIMITED ('the Company') as on 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal financial controls over financial reporting (“the Guidance Note”) and the standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and the best of our information and according the information and explanations given to us, the Company has, in all material respects, an adequate financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the Company and operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by ICAI.

NOTE 24- (1) ACCOUNTING POLICIES, CONTINGENT LIABILITIES AND NOTES**1. COMPANY OVERVIEW:**

AVSL Industries Limited (“the Company”) was incorporated under the Companies Act, 1956. The Company was converted into a Public Limited Company in May 2016. The Registered Office of the Company is situated at Unit No. 1001, 10th Floor, NDM-2, Wazirpur District Centre, Netaji Subhash Place, and Pitampura New Delhi- 110034.

The company is engaged in the business of manufacturing of Plastic Compound, PVC Filler, Plastic /Polyester Tape, PVC board and door frames.

The operation of the company had shown significant improvement despite country is facing COVID-19 effect.

2. SIGNIFICANT ACCOUNTING POLICIES:**(i) Method of Accounting:**

The financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India (‘Indian GAAP’) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis. All amounts included in the financial statements are reported in absolute figures of Indian Rupees.

(ii) Presentation and disclosure of financial statements:

During the year ended 31st March 2023, the Company has presented the financial statements as per the Schedule III notified under the Companies Act, 2013. The Company has also reclassified the previous figures in accordance with the requirements applicable in the current year.

(iii) Use of estimates:

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, if any at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates

could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iv) Inventories (AS 2):

Inventories of materials including stores and spares and consumables, packing materials, components, work-in-progress, work-in-progress and finished goods are valued at the lower of cost and estimated net realizable value, whereas raw material is valued at cost (first in first out basis) or realizable value whichever is lower. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period. The inventories has been physically taken, valued and certified by the management. The difference if any in physical stock and books stock has been properly accounted for in books of accounts.

(v) Cash and Cash Equivalents (AS 3):

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

(vi) Revenue recognition (AS 9):

Revenue comprises sale of materials, service income and interest. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured. The Company collects goods and service tax, sales taxes, service tax, value added taxes (VAT) as applicable on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Sales:

Revenue from sale of goods is recognized in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods has been transferred to the buyer as per the terms of the respective sales order, and the income can be measured reliably and is expected to be received.

Interest income:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(vii) Tangible Fixed Assets (AS 10):

Fixed assets are stated at their cost of acquisition and less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus,

freight, taxes, duties and other incidental expenses including interest paid up to commercial use of assets that are directly attributable to bring the assets to their working conditions for their intended use.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is de-recognized / disposed off.

No assets have been revalued during the year.

(viii) Foreign Exchange Transactions (AS 11):

The company has policy to recognize difference in foreign currency in relation to material in Profit & Loss account and relating to Fixed Assets addition to Fixed Asset, however there was no purchase of fixed asset against which liability has been created in foreign currency. The company has transferred difference in foreign exchange to Profit & Loss Account, because those related to purchase and sale of material.

(ix) Government grants and subsidies (AS 12):

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

During the year, the Company has received subsidies on payment of State GST from government of Rajasthan which has been treated as other income.

(x) Investments (AS 13):

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(xi) Retirement and other Employee benefits (AS 15):

Defined contributions to Provident Fund are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

No retirement benefits have been paid to any employee during the year by the Company. Retirement benefits in the form of Gratuity and other long term / short term employee benefits have been provided for its employees, who had completed five years of service for 15 days each of completed year of service. However no certificate of actuarial valuation has been obtained. Other retirement benefits will be accounted for as and when paid.

(xii) Borrowing Costs (AS 16):

Loan processing charges paid to bank for bank cash credit facilities and Mortgage Loan have been charged to revenue account since the same are not attributable to the acquisition of qualifying assets as per the requirements of AS 16. Borrowing cost primarily includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

(xiii) Segment Reporting (AS 17):

A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments. Factors that should be considered in determining whether products or services are related include:

- (a) the nature of the products or services;
- (b) the nature of the production processes;
- (c) the type or class of customers for the products or services; Segment Reporting
- (d) the methods used to distribute the products or provide the services; and

(xiv) Operating leases (AS 19):**Where the Company is a lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on the basis of the lease (rent agreements). Initial direct costs such as legal costs, brokerage costs, etc. if any, are recognized immediately in the statement of profit and loss.

Where the Company is a lessor

Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease except where another systematic basis is more representative of the time pattern of the benefit derived from the asset given on lease.; or the payments to the lessor are structured to increase inline with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(xv) Earning / (loss) per share (AS 20):

Basic earnings / (loss) per share is computed by dividing the net profit / (loss) for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xvi) Taxation (AS 22):

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the

earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date.

The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT credit entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period in future. Separate and detailed calculation of Deferred tax is appended in Annexure A to these notes.

(xvii) Impairment of tangible and Intangible Assets (AS 28):

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technic and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(xviii) Provisions and contingent liabilities, Contingent assets (AS 29):

A provision is recognized when the Company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow is remote. A contingent asset is not recognized in the financial statements and hence not disclosed.
