MESSAGE OF CHAIRMAN AND MANAGING DIRECTOR

“Each year brings new challenges, new achievements, and new responsibilities. In this message, our Chairman reflects on the milestones we’ve reached, the global landscape we navigate, and the long-term vision that continues to guide AVSL forward.”

DEAR SHAREHOLDERS,

The financial year 2025 was a year of profound global disruption. Widespread geopolitical conflicts, military escalations, and uncertain trade dynamics severely impacted global supply chains. Over 60 nations went to the polls, stalling policy continuity and reform agendas across several key markets. As a result, businesses worldwide faced significant shocks—ranging from falling production volumes and rising costs to suboptimal asset utilization, impacting profitability and cash flows.

I am delighted to present to you our 22nd Annual Report for Financial Year (FY) 2024-25.

The last financial year was quite a transformative one for your company in more ways than one. We expanded our product offering and also identified a target to acquire. With all these initiatives, your company has reached a point of inflection in its growth path. While we have a long path ahead of us, the journey has gained significant momentum.

In this letter, I would like to focus on the achievements during the just concluded financial year and how they are helping us to position ourselves for both revenue growth and increased profitability.

In a year that saw both environmental and economic challenges, we remained steadfast in our commitment to sustainability, innovation, and inclusive growth. Our flagship WPC/PVC products have increased their strength, and our focus on R&D has opened promising avenues for more efficient and affordable such solutions. As governments and corporations alike set more ambitious decarbonization goals, Innomet Advanced Materials Limited stands ready to lead with purpose and agility.

In financial year 2024-25, the Company recorded total Revenue of Rs. 14083.95 (lakhs) and booked PAT of Rs 252.77 Lakhs. The circumstances have pushed us to rise beyond our own limitations and to align our sustainability agenda with our business and technological transitions and organizational growth.

Heading into FY 2025–26, we're set to accelerate our momentum, all while staying true to our foundational values of integrity, accountability, innovation, and sustainability. Our Board actively supports national development, and we are deeply committed to creating infrastructure that bridges more than just cities—it connects people, opportunities, and entire futures.

I would like to extend my heartfelt appreciation to our employees, whose dedication, resilience, and belief in our mission have been instrumental in reaching this milestone. To our shareholders—both longstanding and new—we are deeply thankful for your trust and support. We remain fully committed to honouring that trust through integrity, accountability, and consistent performance.

We look ahead with confidence and optimism. A strong foundation has been laid down and the future holds significant promise. Let us continue this journey together with shared purpose and enduring commitment.

ACKNOWLEDGEMENTS

I extended my sincere thanks for assistance, believe, confidence cooperation and support received from the customers, suppliers, bankers, financial institutions, auditors, state and central government, regulators, advisors community and society. I also acknowledge and appreciate our directors and all stakeholders for their continuous belief and support.

WARM REGARDS

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

GLOBAL AND INDIAN ECONOMIC OVERVIEW:

India remained resilient & the fastest growing major economy in the world in 2024-25. Its real GDP growth is pegged at a high rate of 6.75 percent (<https://www.mospi.gov.in/dataviz-quarterly-gdp-growth-rates>). The growth is bolstered by steady domestic demand, an uptick in the manufacturing and service sectors and the government and private sector focus on infrastructure spending.

Going forward, India's economic outlook remains cautiously optimistic with RBI estimating it to be a good percent for 2025-26. Experts believe this growth will be based on sustained government capex push, healthy corporate performance, softness in global commodity prices, the prospect of new private capex and rising domestic demand.

OVERVIEW AND OUTLOOK OF COMPANY'S BUSINESS

AVSL Industries Limited are manufacturing organization and situated at:

1. Plot No. E-675, Ph. I to IV, Ghatal, Samtal, Bhiwadi, District Alwar, Rajasthan-301019
2. Plot no. 717, Halol-2 and Halol- Maswad Industrial Estate, Gujarat-389350
3. Plot no. 2006, Halol GIDC Estate, District Panchmahal, Gujarat-389350
4. Plot No G-152 TO G-162, Karoli Industrial Area, Tehsil Tijara, Bhiwadi, Alwar, Rajasthan-301019

Since beginning, we were mainly manufacturing:

Power Cable and Telecom Industry and some material for irrigation industry.

Our product includes PVC Compound, HDPE/LDPE Compound, PVC Filler, HDPE/LDPE Tape, PVC tape, Polyester Tape and similar product, Aluminum Mylar tape, Marking tapes (used in cable wires as well as irrigation pipes) these products are mainly manufactured at Bhiwadi and Karoli (Rajasthan units). PVC compound and PVC filler and some other products are manufacture at Maswad and Halol (Gujarat units).

There is tremendous scope and demand of the power cables and house wiring's due to increased focus by Government of India due to electrification and increased demand in housing.

The raw material demand from the user industry is again expected to be huge, so we are continuously trying to improve the capacity utilizations.

The new segment of PVC/ WPC board and door frames which is a retail product and used by direct consumers with shorter credit cycle and direct touch with customers is challenging but with bright future prospect to convert the company from commodity driven to mixture of consumer driven.

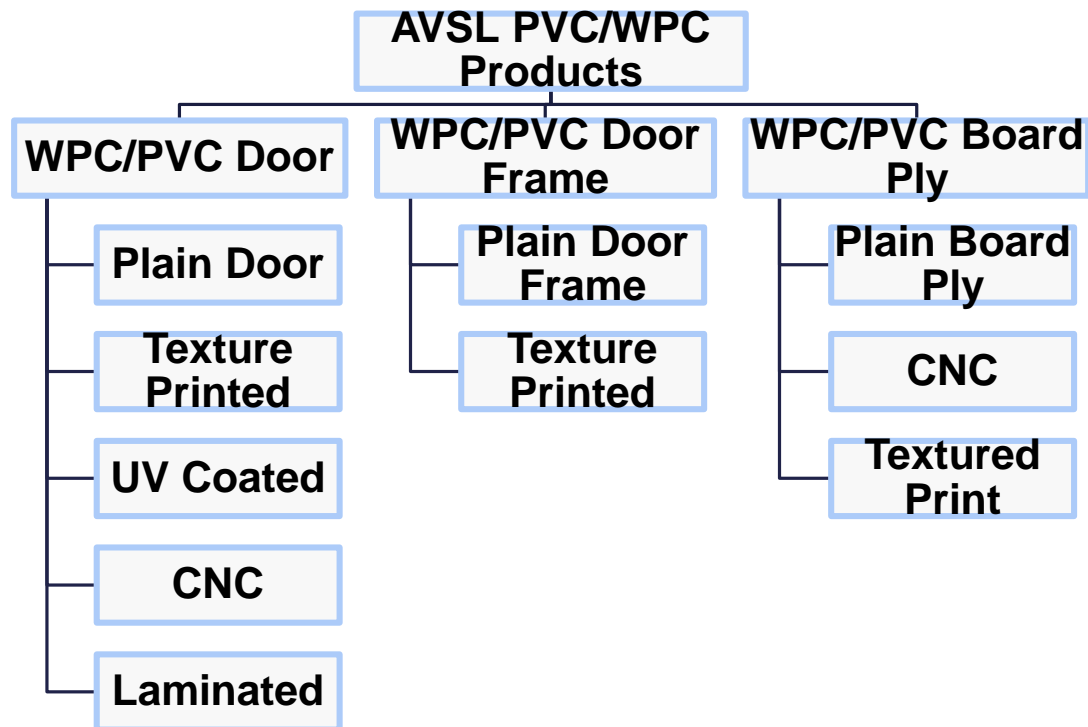

We have got very good response from the industry due to increase focus by government of India to housing for all. There is a huge demand due to multiple uses by household as well as corporate sectors

and product can be sold anywhere in India. We are right now selling through wholesalers at present spreading all over India. These products are expected to generate improved revenues in the coming years because of increasing in production capacity, due to stabilization of production and increase in installed capacity.

MARKET OVERVIEW

PVC/WPC Foam Sheet, Boards & Door Frames (Chaukhat)

PVC/WPC Foam Sheets, Boards & Door Frames (Chaukhat) offers high durability, low moisture content, and low water absorption, as compared to conventional wood products. These properties have made it viable for use in railings, windows, doors, exterior siding, fencing, flooring, and interior molding, and raised its demand from automotive and construction industries.

CHALLENGES FACED BY COMPANY:

- Challenges related to Waste: Waste can be a major issue in plastic manufacturing as it can lead to higher costs and wasted materials. Waste is part of the manufacturing process but being efficiently re-used by us.
- Challenges related to Cost: The cost of plastic manufacturing can be a major challenge as it involves many factors including raw materials, tooling, waste, and labor. Finding ways to reduce costs without sacrificing quality can be difficult.

These are some of the biggest challenges that manufacturers face when producing plastic products. By understanding the challenges and taking steps to address them, manufacturers can ensure that their plastic products are produced to a high standard.

- Challenges related to various government or other certifications – There are various government or other certifications required as per different geographical regions where the Company want to submerge it's sales.

RISKS AND CONCERNS:

The Company recognizes that risk is an integral part of business and is committed to managing the risks in a proactive and efficient manner. The Company periodically assesses risks in the internal and external environment, along with the cost of treating risks and incorporates risk treatment plans in its strategy, business and operational plans across all its location. Risk evaluation is driven by Financial Objective, Overall Strategy, Companies Operations, Statutory Compliance and Reporting Objectives. This ensures business continuity and value creation on sustainable basis.

ENVIRONMENT HEALTH & SAFETY:

Company is making serious efforts for marketing of its products in global markets. With India's growing importance as a low cost manufacturing base with good health, safety and environment practices, your company sees a great potential in many of its products. Effective steps have been taken in this regards.

PVC/WPC Foam Sheets, Boards & Door Frames (Chaukhat) are environmentally friendly solution compared to wood and possibly one of the many sustainable alternatives to a lot of regular building materials. PVC/WPC is used today with a lot more potential than any other similar products.

Further, the Company ensures the health, safety and wellbeing of its employees, contractors, assets and customers property.

FUTURE OUTLOOK

The Company continued its focus on marketing activities and strengthening its agent network by participating in many new markets. Your company has introspected with its customer base and greatly recognizes the need for innovations and new product developments to drive growth and better margins.

The expansion of the Indian economy has boosted the demand for real estate and commercial buildings in the country. While residential building accounts for most of the real estate in India, commercial construction has increased to meet the growing need for office space, which has led to increase in consumption of PVC foam Board and door frame as well as increase in demand of electricity which ultimately result in increase in demand of our Industrial raw material for power cable across the world.

The Company has taken various initiatives and proactive steps to increase the production of the Company, which may leads to upsurge in profit.

SEGMENTWISE PERFORMANCE

The business activities of the Company comprise in various business segments i.e. Industrial Intermediate goods, Consumer Goods and other.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in the conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2025 and profit and total comprehensive income, Cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

EMPHASIS OF MATTER:

We draw attention to the following matters in the Notes to the Financial Statements:

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors are responsible for the preparation of other's information. The other information comprises the information included in the Board's report but does not include the financial statements and our Auditors' Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY

Our objective are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that the audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of the accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

ANNEXURE "A "TO THE INDEPENDENT AUDITORS' REPORT

In terms of the information and explanations sought by us and given to us by the management of the company and on the basis of such checks of the books and records of the company during the course of audit and to the best of our knowledge and belief, we further report that:

1. In respect of the fixed assets:

a) According to the information and explanations given to us, the company has maintained proper records of property, plant & equipment and Capital Work-in-Progress showing full particulars including quantitative details and situation of property, plant & equipment and Capital Work-in-Progress.

According to the information and explanations given to us, the company has maintained proper records showing full particulars of intangible assets.

b) As explained to us, the property, plant & equipment and Capital work-in-progress have been physically verified by the management at reasonable intervals during the year. To the best of our knowledge no material discrepancies have been noticed on such verification or have been reported to us.

c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are in the name of the company.

d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.

e) According to the information and explanations given to us no proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. In respect of the inventories:

a) The inventories have been physically verified by the management of the Company during the year at a reasonable intervals. In our opinion, the frequency of variation, coverage and procedure of such verification is reasonable and appropriate. No material discrepancies were noticed on such verification.

b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets. There is a variation in quarterly statements filed with such banks or financial institution with books of accounts and the detail is as follow:

Qtr	As per Details submitted to bank/Financial Institutions	As per Books of Accounts	Difference
1 st Qtr.	15,38,62,011	15,38,62,011	0
2 nd Qtr.	15,16,70,326	16,11,60,000	94,89,674
3 rd Qtr.	16,78,97,321	16,78,97,321	0
4 th Qtr.	14,67,01,166	16,98,23,190	2,31,22,024

The difference in value in stock statement submitted to banks shows that value in all the four quarters were lower then or equals to actual value of stocks of the company. This was due to fluctuation in value of goods. In the Second and fourth quarter, the difference in the value of stock reported to the bank was due to omission of stock of one of the unit to the bank. It was a clerical error.

3. Investments/Guarantee/Security/Loans/Advances Granted:

According to information and explanations given to us, during the year the company has not made any investments in, provided any guarantee or security or granted or provided any loans or advances in the nature of loans to any Company, Firms, Limited Liability Partnerships or Other Parties hence other matters related thereto referred to in clause iii of The Companies (Auditor's Report) Order, 2020 are not applicable.

4. In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.

5. According to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under.

6. The company is maintaining proper cost records as specified in section 148(1) of the companies Act, 2013.

7. In respect of Statutory dues:-

a) According to the information and explanations furnished to us, in our opinion the company is generally regular in depositing with appropriate authorities undisputed statutory dues T.D.S., GST, Employee Provident Fund, ESIC and other material statutory dues applicable to it.

There has been no outstanding as at 31st March 2025 of undisputed liabilities outstanding for more than six months.

b) According to the information and explanations furnished to us and so far as appears from our examination of books of account, there were no statutory dues outstanding as at 31st March 2025 which have not been deposited on account of any dispute.

8. According to the information and explanations given to us and so far as appears from our examination of books of account and other records as applicable, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

9. In respect of Loans & Other Borrowings:

a) According to the information and explanations given to us, the company has repaid the principal amount and made payment of interest on loans or borrowings taken by it from banks.

b) According to the information and explanations given to us so far as appears from our examination of relevant records, we are of the opinion that the company has not been declared willful defaulter by any bank or financial institution or any other lender.

c) In our opinion and according to the information and explanations given to us, the company has applied the term loans during the year have been applied for the purpose for which they were raised.

d) According to the information and explanations given to us, and the audit procedures performed by us, and on an overall examination of the financial statements of the company for the year, we are of the opinion that funds raised on short-term basis have, prima facie, not been used during the year for long term purposes by the company.

e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds during the year from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures, if any and hence reporting under clause 3(ix)(e) of the Order is not applicable.

f) According to the information and explanations given to us and audit procedures performed by us, we report that the company has not raised any loan during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, if any and hence reporting under clause 3(ix)(f) of the Order is not applicable.

10. In respect of moneys raised by issue of securities:

a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.

b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.

11. In respect of Frauds and Whistle Blower Complaints:

a) According to the information and explanations given to us and to the best of our knowledge, no material fraud by the Company or on the Company has been noticed or reported to us during the year.

b) No report under sub-section (12) of Section 143 of the Companies Act has been filed in form AOC-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year. According to the information and explanations given to us, the Company during the course of audit of the financial statement for the year ended 31st March, 2025, the order is not applicable during the year.

c) As per section 177 of the Act, the Company established vigil mechanism. Hence there are no whistle blower complaints were received by the Company during the year.

12. The company is not a Nidhi Company; therefore the provisions of Nidhi companies are not applicable on the company.

13. According to the information and explanations given to us the Company is in compliance with the provisions of section 177 and 188 of the Companies Act 2013 where applicable for the related party transactions and the details of related party transactions have been disclosed in the notes of the financial statements in accordance with the applicable Accounting Standards.

14. In respect of Internal Audit:

a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

b) We have held discussions with the internal auditor of the Company for the year under audit and considered their opinion in determining the nature, timing and extent of our audit procedure.

15. According to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

16. In respect of Registration under Section 45-IA of the Reserve Bank of India Act, 1934/CIC-

a) As the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934), clause (xvi)(a) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year and clause (xvi)(b) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

c) As the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

d) According to the information and explanations given to us, the company has no Core Investment Company (CIC) as part of its group, clause (xvi)(c) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable to it.

17. The Company has not incurred cash losses in the financial year covered by our audit.

18. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause (xviii) of paragraph 3 of The Companies (Auditor's Report) Order, 2020 is not applicable.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

20. According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be

transferred to the special account as on the date of our audit report. Accordingly, the provisions of paragraph (xx)(a) to (b) of the Order are not applicable to the Company.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **AVSL INDUSTRIES LIMITED** ('the Company') as on 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance note on Audit of Internal financial controls over financial reporting (“the Guidance Note”) and the standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and the best of our information and according the information and explanations given to us, the Company has, in all material respects, an adequate financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the Company and operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by ICAI.

NOTE 24- (1) ACCOUNTING POLICIES, CONTINGENT LIABILITIES AND NOTES**1. COMPANY OVERVIEW:**

AVSL Industries Limited ("the Company") was incorporated under the Companies Act, 1956. The Company was converted into a Public Limited Company in May, 2016. The Registered Office of the Company is situated at Unit No. 1001, 10th Floor, NDM-2, Netaji Subhash Place, Pitampura New Delhi- 110034.

The company is engaged in the business of manufacturing of Plastic Compound, PVC Filler, Plastic /Polyester Tape, PVC board and door frames.

2. SIGNIFICANT ACCOUNTING POLICIES:**(i) Method of Accounting:**

The financial statements are prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared under the historical cost convention on accrual basis. All amounts included in the financial statements are reported in lakhs of Indian Rupees.

(ii) Presentation and disclosure of financial statements:

During the year ended 31st March 2025, the Company has presented the financial statements as per the Schedule III notified under the Companies Act, 2013. The Company has also reclassified the previous figures in accordance with the requirements applicable in the current year.

(iii) Use of estimates:

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of revenues, expenses, assets and

liabilities and the disclosure of contingent liabilities, if any at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(iv) Inventories (AS 2):

Inventories of materials including stores and spares and consumables, packing materials, components, work-in-progress, work-in-progress and finished goods are valued at the lower of cost and estimated net realizable value, whereas raw material is valued at cost (first in first out basis) or realizable value whichever is lower. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period. The inventories has been physically taken, valued and certified by the management. The difference if any in physical stock and books stock has been properly accounted for in books of accounts.

(v) Cash and Cash Equivalents (AS 3):

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand, cheque on hand and short-term investments with an original maturity of three months or less.

(vi) Revenue recognition (AS 9):

Revenue comprises sale of materials, service income and interest. Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured. The Company collects goods and service tax, sales taxes, service tax, value added taxes (VAT) as applicable on behalf of the government and therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Sales:

Revenue from sale of goods is recognized in the statement of profit and loss when the significant risks and rewards in respect of ownership of goods has been transferred to the buyer as per the terms of the respective sales order, and the income can be measured reliably and is expected to be received.

Interest income:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(vii) Tangible Fixed Assets (AS 10):

Fixed assets are stated at their cost of acquisition and less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus, freight, taxes, duties and other incidental expenses including interest paid up to commercial use of assets that are directly attributable to bring the assets to their working conditions for their intended use.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is de-recognized / disposed off.

No assets have been revalued during the year.

(viii) Foreign Exchange Transactions (AS 11):

The company has policy to recognize difference in foreign currency in relation to material in Profit & Loss account and relating to Fixed Assets addition to Fixed Asset, however there was no purchase of fixed asset against which liability has been created in foreign currency. The company has transferred difference in foreign exchange to Profit & Loss Account, because those related to purchase and sale of material.

(ix) Government grants and subsidies (AS 12):

Grants and subsidies from the government are recognized when there is reasonable assurance that (i) the Company will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

When the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

During the year, the Company has received subsidies on payment of State GST from government of Rajasthan which has been treated as other income.

(x) Investments (AS 13):

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(xi) Retirement and other Employee benefits (AS 15):

Defined contributions to Provident Fund are charged to the statement of Profit & Loss of the year, when the employee renders the related service. There are no other obligations other than the contribution payable to the respective statutory authorities.

No retirement benefits have been paid to any employee during the year by the Company. Retirement benefits in the form of Gratuity and other long term / short term employee benefits have been provided for its employees, who had completed five years of service for 15 days each of completed year of service. However no certificate of actuarial valuation has been obtained. Other retirement benefits will be accounted for as and when paid.

(xii) Borrowing Costs (AS 16):

Loan processing charges paid to bank for bank cash credit facilities and Mortgage Loan have been charged to revenue account since the same are not attributable to the acquisition of qualifying assets as per the requirements of AS 16. Borrowing cost primarily includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

(xiii) Segment Reporting (AS 17):

A business segment is a distinguishable component of an enterprise that is engaged in providing an individual product or service or a group of related products or services and that is subject to risks and returns that are different from those of other business segments. Factors that should be considered in determining whether products or services are related include:

- (a) the nature of the products or services;
- (b) the nature of the production processes;
- (c) the type or class of customers for the products or services; Segment Reporting
- (d) the methods used to distribute the products or provide the services; and

(xiv) Operating leases (AS 19):**Where the Company is a lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on the basis of the lease (rent agreements). Initial direct costs such as legal costs, brokerage costs, etc. if any, are recognized immediately in the statement of profit and loss.

Where the Company is a lessor

Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease except where another systematic basis is more representative of the time pattern of the benefit derived from the asset given on lease; or the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(xv) Earning / (loss) per share (AS 20):

Basic earnings / (loss) per share is computed by dividing the net profit / (loss) for the period attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the financial statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xvi) Taxation (AS 22):

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. The carrying amount of deferred tax assets are reviewed at each reporting date.

The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT credit entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period in future. Separate and detailed calculation of Deferred tax is appended in Annexure A to these notes.

(xvii) Impairment of tangible and Intangible Assets (AS 28):

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technic and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(xviii) Provisions and contingent liabilities, Contingent assets (AS 29):

A provision is recognized when the Company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably.

The Company does not recognize a contingent liability but discloses its existence in the financial statements unless the possibility of an outflow is remote. A contingent asset is not recognized in the financial statements and hence not disclosed.
